2. Claims 1, 2 and 3 have been amended; and new claim 10 has been added.

## **Drawings**

## Allowable Subject Matter

- 4. Claims 1-10 are allowed.
- 5. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach the method of recovering a database provided with disk back-up by reconstructing the remembered set as claimed in independent claims 1 and 10. Also, the prior art of record fails to teach the following limitation: performing recovery by means of said versions (a) by reconstructing the renumbered set of previous versions stored on disk, said remembered set indicating the pointers referring to the generation in question, and (b) by changing the pointers indicated by the remembered set to refer to the memory cells of said most current version as cited in independent claims 1 and 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
